One of the best ways to prepare for the DBQ (the "document-based question" on the AP European History, AP US History, and AP World History exams) is to look over sample questions and example essays. Doing this will help you to get a sense of what makes a good (and what makes a bad) DBQ response. That said, not all DBQ essay examples are created equal.

The DBQ counts for 25% of the total exam score, and the LEQ is 15%. The essays are out of seven points and six points, respectively. Students are required to analyze and synthesize the documents of the DBQ, but some outside information is still needed. The LEQ only provides a prompt and no sort of stimulus, so a large amount of outside information is necessary.
