*Influencer by Kerry Patterson was mentioned by upper management this year as a reference for an upcoming change to corporate culture. I was curious to read about it, and understand what to expect in the coming year. I could not get much out of it, beyond one point: making a real and lasting change requires identifying and changing vital behavior. I carried it with me and forced myself to read it whenever waiting for appointments, for example, but I gave up somewhere between 50-100 ...*
