There was a lot of correspondence, and I explained to him that when you set words to music it can slow down the performance time of the whole thing, and that in order to have a dramatic punch in music, if you want it to proceed at the same pace as a spoken play, certain things have to go. So finally he said, "I don't want to argue about this any longer. I will allow you to have your way as ...

Chamber music is a form of classical music that is composed for a small group of instruments—traditionally a group that could fit in a palace chamber or a large room. Most broadly, it includes any art music that is performed by a small number of performers, with one performer to a part (in contrast to orchestral music, in which each string part is played by a number of performers).

Als Plot wird die Handlungsstruktur eines dramatischen oder erzählenden Textes bezeichnet und demzufolge der Grundriss der (in Kurzform nacherzählbaren) Handlung. Allerdings ist der Begriff mehrdeutig, so dass der Plot in drei verschiedene Bedeutungsvarianten verwendet wird, die allesamt sehr nahe beieinander liegen und demnach schwierig voneinander zu trennen sind.
